

Community Middle School

The QUEST

August 4, 2020

Dear CMS Parents and Students,

We are very excited to have the opportunity to host our 2nd Annual CMS QUEST here at Community Middle School. This is the beginning of a Viking tradition. Each student will have the opportunity to participate in this school fundraiser event to be held on August 28th, Friday, starting at 9:30 AM, as well as, the ConQUEST event in the spring. The ConQUEST date for May, 2021, is yet to be determined. The QUEST Walk will be held in grade levels with attention to safety and COVID precautions. This year's event is sponsored by the following CMS REN Gold Sponsors: Beasley's Heating, Colling & Ref., Precision Gate Services, LLC, Burris Farms, Brad's Market, Sir Pizza, Sew Sudberry, Clift and Kelly Beasley.

Any student wanting to participate in The QUEST event on Friday, August 28th and the spring ConQUEST, can do so by raising \$20 and returning this signed permission slip to homeroom by **August 17th, Monday**. The \$20 raised will help fund events and activities for students throughout the 2020 school year through our CMS Renaissance Program which includes our VLP students. Once students turn in their \$20 and signed form, they will receive a QUEST t-shirt, CMS water bottle, and be permitted to participate in the QUEST event activities. All participants must have on their 2020 QUEST shirts to join planned activities.

Unfortunately, due to COVID precautions, parents will have to sit this year's QUEST out, but we promise to have lots of information and yearbook pictures. If parents or any other person would like to order a QUEST shirt, all additional orders are \$10. We are very happy to have the students back in the building and we want to create a fun and happy school environment for them. Community Middle School thanks you for your support and encouragement.

Respectfully,

Tony Garrette
